## WIRELESS INSPECTION CAMERA WITH COLOR LCD MONITOR

### HEALTH & SAFETY DATA SHEET

Please read and understand all instructions before use. Failure to follow all instructions listed below may result in electric shock, fire and/or serious personal injury.

**- Prevent object and liquid entry.**

Never spill liquid of any kind on the video display unit. Liquid increases the risk of electrical shock and damage to the product.

**- The unit is not shock-resistant.**

Do not use it as a hammer or drop it.

**- Do not immerse the camera and monitor in water.**

Store in a dry place. Such measures reduce the risk of electric shock and damage. The imaging head and the cable are water resistant when the unit is fully assembled, but the monitor and camera is not.

**-Do not use the camera if condensation forms inside the lens.**

Let the water evaporate before using again.

### CAUTIONS

- The apparatus shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the apparatus.
- Turn off the Camera/Monitor if the system is not use.
- The adapter is used as the disconnect device from the mains. The adapter shall remain readily operable.
- The camera/Monitor can only be completely disconnected from the mains by unplugging the adapter.
- Do not cut the DC power cable of the apparatus to fit with another power source.
- Attention should be drawn to the environment aspect of battery disposal.
- Remove the batteries when cleaning the unit.
- Remove the batteries before storing the unit for a long time.
- When necessary, replace four batteries in this unit with new ones.
- Use only the size and type of battery specified.
- Be sure to install the battery with the correct polarity as indicated in the battery compartment.
- Properly dispose of the battery. Exposure to high temperatures can cause the battery to explode.
- Place tape over the terminals to prevent direct contact with other objects. Some countries have regulations concerning battery disposal. Please follow all applicable regulations.
